INTRODUCTION.

Bahawalnagar District is predominantly an agricultural district, being situated between river Sutlej and Pak-Indian Border. In the past, it remained integral part of State Bahawalpur but in the year 1952, this district got its separate entity as a district. However, now it is a part of Bahawalpur Region.

In terms of physical characteristics, this district can be divided into 'Hithar' (riverain belt), 'Uttar' (settled area) and Cholistan. Hithar and Cholistan are less developed and have lesser socio-economic development as compared to 'Uttar' region. Cholistan is a mass of sand with sand dunes rising at certain places to the height of even 100 feet.

It consists of 05 sub-divisions namely Bahawalnagar, Chishtian, Haroonabad, Minchinabad and Fortabbas with 22 Police Stations, 8879 Sq.KMs of area with a population of 3.0 Millions. This district is inhabitant mostly by settlers from upper Punjab who have brought their old feuds with them and thus they indulge in crime against persons. The inhabitants of river belt are however, active in crime against property.

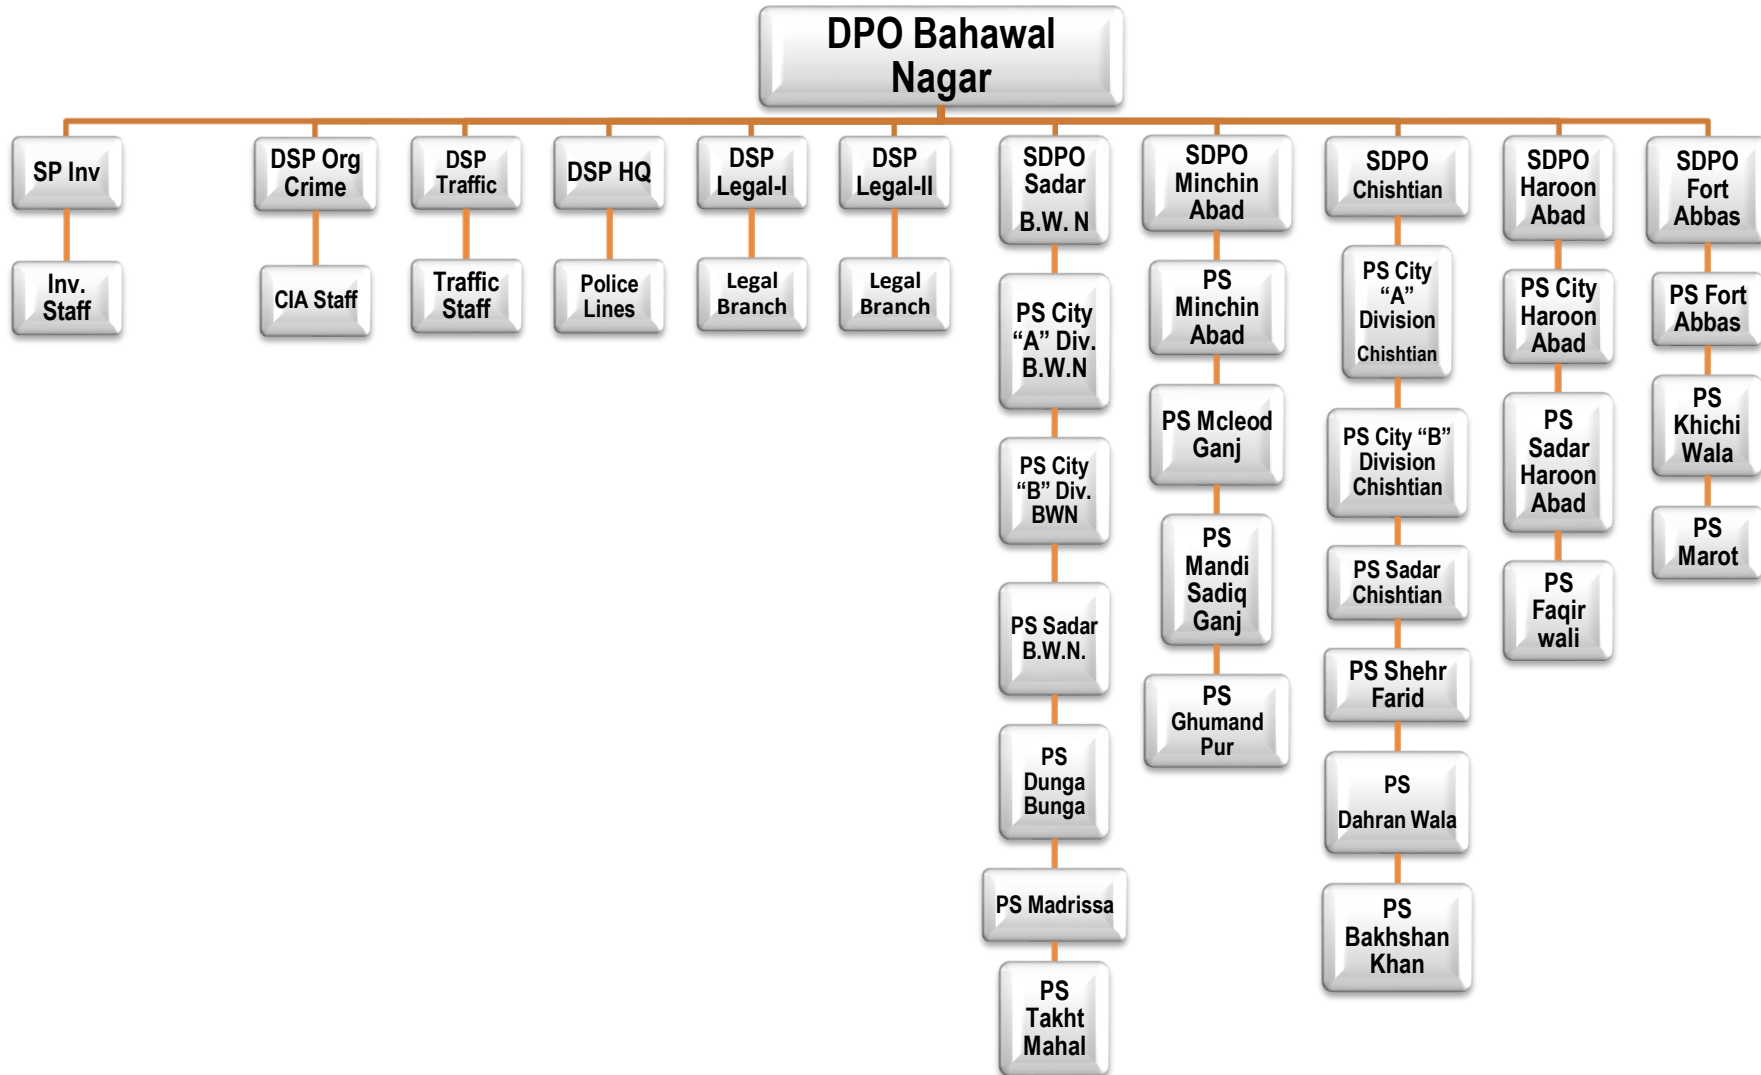

Bahawalnagar is also a developing district and needs new roads. Bhukan Pattan Bridge on Sutlej River is present/situated to link with Pakpattan & Sahiwal districts while a new bridge on the same river has also been constructed to link Tehsil Minchinabad to Pakpattan. Extension in important towns has started a process of urbanization which still continues. People from more densely populated areas of interior Punjab are still attracted to this district because they consider that there are charming prospects of earning livelihood by bringing barren land under cultivation.

The people of this district are generally religious minded and followers of different schools of thought. Religious leaders exercise considerable influence over the people. Occasionally, religious controversy creates law & order situation for the District Police. However, during the last year, no untoward incident took place in the area. The activities of religious/sectarian figures are closely and constantly kept under surveillance.

In this district, due to poor condition of metal roads and driver's/vehicle's faults increasing in traffic accidents. Traffic Police is making efforts for the maintenance of traffic discipline. From Bahawalnagar to Haroonabad, Chishtian, Hasilpur (District Bahawalpur) and district boundary adjacent to Tehsil Arifwala District Pakpattan carpeted metal roads have been constructed but roads in Haroonabad, Fortabbas sub-divisions are in poor conditions which need immediate attention of the concerned departments.

ANALYSIS OF CRIME SITUATION WITH PARTICULAR EMPHASIS ON LAW & ORDER.

The District Police by using their available resources are trying their utmost to avoid the occurrences of heinous crime and to control law & order situation. Systematic patrolling has been arranged round the clock to ensure the police presence at every corner. Whenever any occurrence of heinous nature takes place, the police of the nearest police station reach the spot immediately and give hot pursuit to the criminals and provide safety cordon to avoid the recurrence of such crime. All B.Cs addicted to heinous crime have been identified and are under police surveillance. As compared with the previous financial year, during the financial year 2022-2023, the crime against property decreased under head Dacoity 07 cases and increased under heads i.e. Robbery, Burglary, Cattle theft, and ordinary theft by 138, 190, 114 and 445 cases respectively. The crime under head Auto Mobile Theft also increased by 362 cases but we are continuously paying great focus on reducing crime against property and have devised a plan for this purpose. The reason for increases in crime figures in these heads is the vision of police command regarding free registration of FIR. We are closely monitoring activities of Target Offenders and persons released from Jails in the cases of Crime against Property. Most of the criminals who indulge in this crime are outsiders and infiltrate from long zigzags of adjoining districts of Bahawalpur, Pakpattan, Vehari and Okara. In order to combat the crime and criminals on possible routes of influx and efflux of out-laws, systematic patrolling by especially established mobile squads has been introduced. The police strength at exit/entry points of the district has also been increased by using modern techniques available in the department. Biometric checking is also being ensured at these points. The data of stolen vehicles, P.Os & C.As have also been made available with the concerned staff. The timings at which the out-laws used to commit heinous crime are calculated and stringent measures are taken to prevent the occurrences of heinous crime. At present, there is no threat to law & order situation within the territorial jurisdiction of this district.

The crime against person showed that during the financial year 2022-2023, it decreased under head Kidnapping/Abduction by 106 and increased under heads Murder, attempt murder, Hurt, Rape, Sodomy and Kidnapping for ransom by 02, 13, 07, 12, 06 and 01 cases respectively. All SDPOs/SHOs of this district have been directed to ensure preventive action against all rival groups besides effecting compromise at large scale for avoiding any incident of crime against person. To control the crime of kidnapping for ransom, SOP devised by the CPO, Lahore is being implemented in its letter & spirit.
