- ii. In exceptional cases, it will be the sole discretion of the PA (AIG/ Procurement), to grant extension in the period for depositing of samples, (on request of the firm/individual).

14. Violation of Standard Specifications

Goods/ items found not according to the standard specifications will be rejected at the cost of the contractor and may also result in forfeiture of security and blacklisting the firm/individual.

15. Payment to Contractor

Upon receipt of Goods/ Items and the inspection of goods/ items, and after satisfaction the inspection note and the bill for payment will be forwarded to the office of Accountant General Punjab, for payment to the contractor.

16. Contract Amendments

No variation in finalized brands/makes/models shall be allowed except in special conditions where the manufacturer has stopped producing or suspended that model or the latest model of similar series or version has been launched by the manufacturer or non-availability due to international mergers of the manufacturers or similar unavoidable constraints. However, in such eventuality the contractor/ bidder shall write to the PA well in time but not later than seven days of such occurrence/ development and thereafter PA may consider that application of amendment and decide it keeping in view the Value for Money. Nevertheless, the offered item/ good should not be inferior to the specification set forth in the bidding documents and any cost/ price escalation shall not be acceptable. Save as above

any other conditions of the contract may be discussed and amended with the mutual agreement of both parties without amendment in the value of the contract.

17. Assignment

The Supplier shall not assign, in whole or in part, its obligations to any other person/ agent/ sub-agent/ supplier or dealer to perform under this Contract, except with the PA's prior written consent.

18. Liquidated Damages in Case of Late Deliveries of Goods/ Stores

- v. The rate of the liquidated damages shall be 0.1 % of the contract price per day. The maximum amount of liquidated damages for the whole of the goods or part thereof shall be 10% of the contract price.
- vi. The supplier who refuses to pay liquidated damages or delays supplies shall be blacklisted. The PA shall make payment of the balance amount after deduction of liquidated damages.
- vii. Recovery of the liquidated damages or any other recoverable damages may be affected from the payments due to the contractors from other purchases being carried out in PA.
- viii. The question of refund of liquidated damages may be taken up with Senior Purchase Officer (within 15 days) on the representations of the affected party and refund in full or part thereof, may be allowed on merits having regard to condoning circumstances obtaining in the case. Before, making the refund the supplier concern should be required to give an undertaking (in writing) to the effect that the decision is acceptable to him and that it shall not be subject to any legal proceedings or arbitration at a later date.

19. Settlement of Disputes after issuance of Contract

After signing of procurement contract any dispute between parties of the contract shall be settled through arbitration. Method of arbitration would be as under: -

- a. Aggrieved party shall submit an appeal against any decision/ act of the Authority (within 15 days) before Senior Purchase Officer who shall entrust the matter to a three members Arbitration Committee to examine the case and submit its recommendations before the Senior Purchase Officer within 15 days.
- c. The affected party can file (within 15 days of the decision) a revision appeal to the Chief Purchase Officer against the decision of Senior Purchase Officer. Before filing the revision appeal he should be required to give an undertaking (in writing) to the effect that the decision of the Chief Purchase Officer is acceptable to him and that it shall not be subject to any legal proceedings or arbitration at a later date.

20. Inspection Criteria

The supplier shall afford at his own expenses that authorized person of PA shall have full and free access at any time during the contract to the supplier's works. The supplier will make arrangements for the goods/ stores or any part thereof, to be inspected at his premises or at any other place. The supplier shall pay all cost connected with such tests and provide without extra charges all materials, tools, labour and assistance of every kind which the authorized person of PA may consider necessary for any tests and examination other than special or independent tests, and shall pay all cost attendant thereon failing these facilities (in regard to which the authorized person of PA will be the sole Judge) at his own premises for making the tests. The supplier shall bear all the costs associated with it. The supplier shall also provide and deliver free of charge at such place as the authorized person of PA may direct such material, as he may require for testing by chemical or other analysis or independent testing. In the event of such tests being unsatisfactory and resulting in or leading to the rejection of

the goods/ stores concerned, the cost of the test will be borne by the supplier which is charged by the Laboratory concerned.

21. Insurance

The goods supplied under the Contract shall be delivered duty paid (DDP) and CIF etc. (where applicable) as mentioned under which risk is transferred to the buyer after having been delivered; hence, marine and inland insurance coverage is Supplier's responsibility. The Supplier shall ensure insurance in advance in full on prevailing premium rates at the time of shipment of the Goods on the behalf of the PA for which the cost is inclusive in the Contract Price.

22. Method of Test

The PA shall have the right to put all sorts of materials forming part of some or any part thereof, to such test as it may think proper for the purpose of ascertaining whether the same are in accordance with the particulars and to cut out or off, and/ or destroy a portion from each delivery for such purpose without prejudice to this right. During test & trail, the specifications as well as compatibility with PA's sample shall also be checked.

Rejection: If any goods/ items are rejected as aforesaid then without prejudice to the foregoing provisions, the PA shall be at liberty to take one or all following actions: -

- i. Allow the supplier to resubmit goods/ items in replacement of those rejected within a time specified by the PA, the contractor bearing the cost of freight on such replacement without being entitled to any extra payment, or
- ii. Buy the quantity of the goods/ items rejected or others of a similar nature elsewhere as stated in above clauses at the risk and cost of the supplier/ contractor without effecting the supplier's liability as regards supply of any further consignment due under the contract; or
- iii. Terminate the contract and recover from the contractor/ supplier's loss, the PA thereby incurs.
- iv. The decision of the Authorized officer of PA as regards rejection as aforesaid shall be final and binding on the parties. The contractor/ supplier shall not be entitled to any gain on repurchase.
- v. Contractor/ Suppliers should note that if the goods/ items inspected and released by the specified person of the PA are rejected by the actual user/ consumer and on re-inspection of such goods by the PA in the presence of contractor/ supplier's representative it is concluded that rejection is justified in terms and conditions of the contract the goods stand rejected and shall be replaced by the contractor/ supplier at his own risk and cost failing which the goods shall be purchased at his risk and expense.
